

## Processing a "What - If" Audit in DegreeWorks (FA13)

Log in to your EdNet Account and select "DegreeWorks - My Degree Audit" from the main menu. Below is the first screen that you will encounter.

This screen holds a lot of important information:

## Processing a "What - If" Audit in DegreeWorks (FA13)

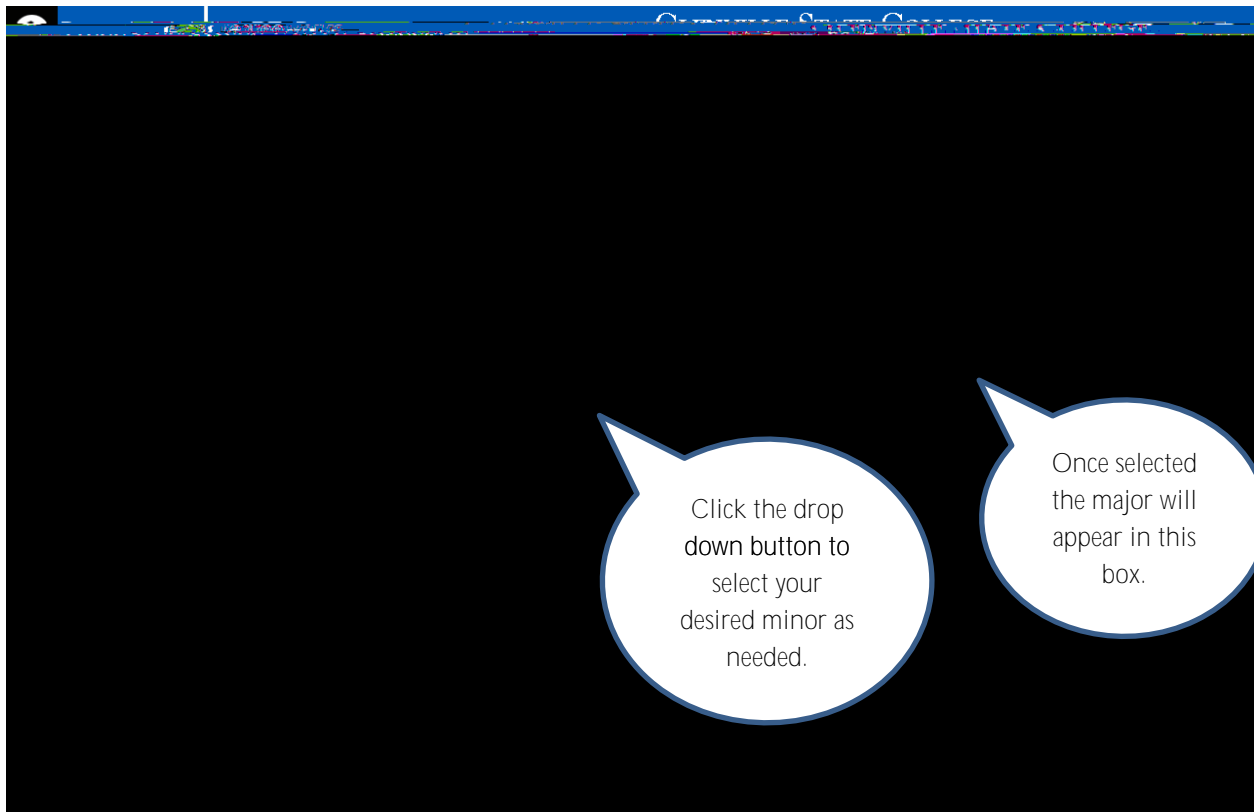

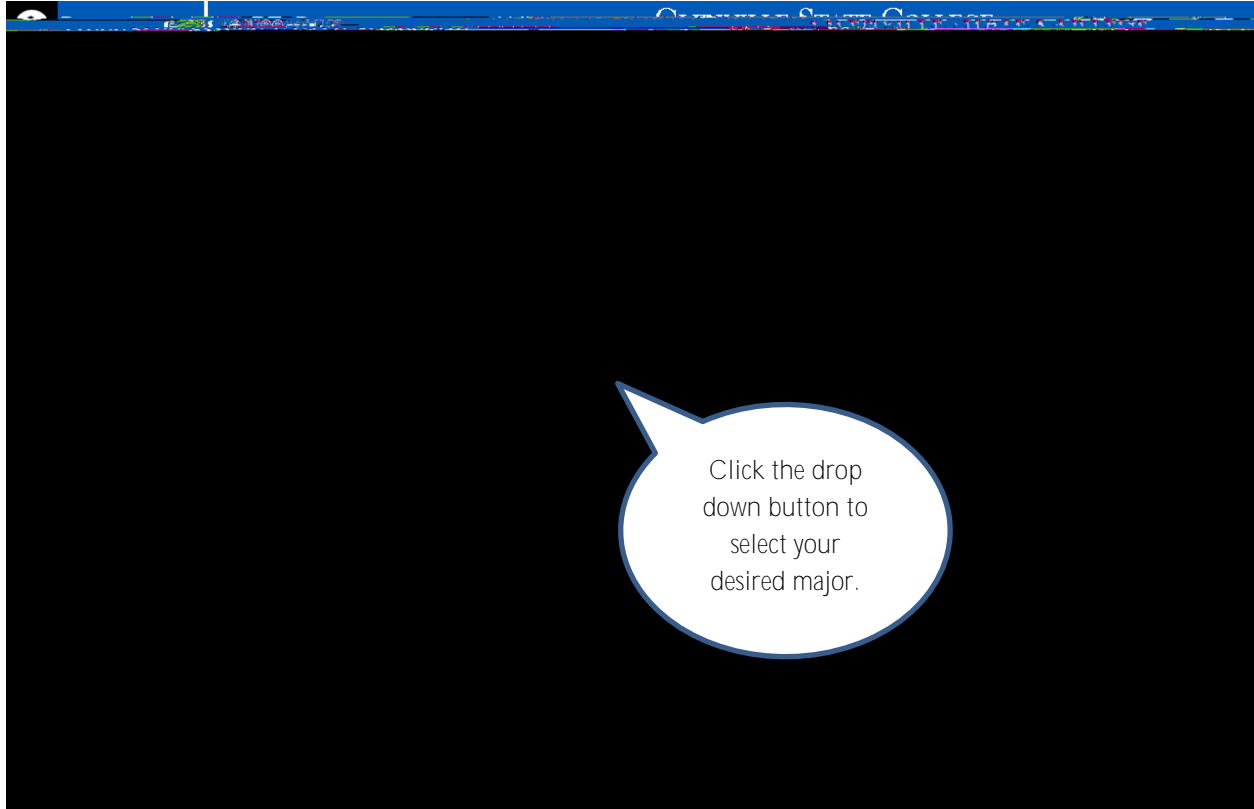

Click "What If" to see degree requirements before making the change officially with the Registrar's Office.

Click the drop down button to select your desired major. Not all degree combinations are allowed – please consult the appropriate catalog for permitted degree combinations.

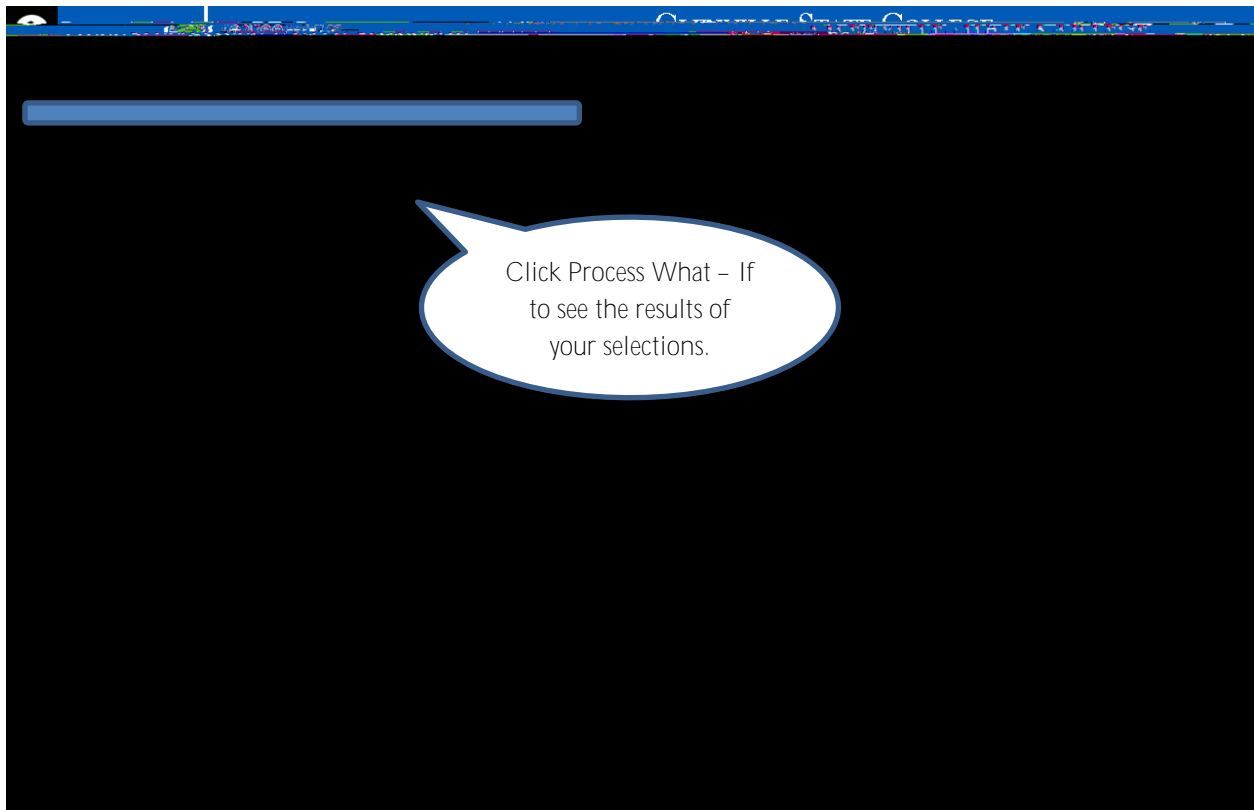

© SunGard 1995 - 2011

Click the drop down button to select your desired catalog year. This can change your degree requirements so be sure to select the appropriate year. You cannot select a catalog year prior to your enrollment with GSC.
