The University is still awaiting email notification on how monies will be dispersed on chosen projects. There was mention of possibly receiving monies annually.

The new furniture is in the offices.

The Clark Hall Roof has been completed. Construction on the inside of the building will begin soon.

Pioneer Village House 1 has been completed. The Drywall has also been completed. The AC is still being worked on and should be fixed soon.

Electrical problems are being tracked on campus.

The Clark Hall Chandelier should arrive by the middle of September 2023.

Parking spaces for on campus health will be placed across from the Mollohan Center.

It was suggested that students have input on all facility requests to accommodate their needs.

A parking space for the campus counselor will be placed by the PE Building.

The Crisis Response Manual is being updated to reflect back up people in the event that those in the chain of command are not present during a crisis.

It was suggested that another Active Shooter Drill be scheduled to accommodate the remaining members of campus that were unable to attend the one that took place on August, 8 2023.

The BIT Team has been meeting on a regular basis. All referrals are being received and have been resolved successfully.

It was suggested that a training on how to use the BIT Referral Form be given to students.

Animals on campus are being addressed and paperwork with ADA must be completed. Alyssa Gibson was introduced as the student representative for Facilities and Threat Committee.
