Plans are being discussed for moves on campus

Public Safety will need updated radios in order to communicate with local law enforcement as the county's system is being updated making their current radios obsolete

**The BI Team is successfully continuing to resolve referrals
It was suggested that campus wide training on the referral process be given**

**Heat buttons are still being vandalized and damaged
The Electric Company has agreed to put a technician back in Gliner County
Damage in Goodwin and Elders Hall was found to be reduced during the Fall 23 Semester:**
