

Final Exam Schedule Fall 2027

Final Examinations will begin on **Monday, December 6th** and will continue through **Thursday, December 9th** as outlined below.

Students in courses having multiple sections must take the examination at the time scheduled for the section in which they are enrolled.

The final examination for an arranged class, including online courses, may be given during the week prior to the final examination period if approved by the Provost.

In case of a conflict in the schedule, the instructor concerned should see the Department Chairperson and the Provost about special arrangements.

Each examination will be held in the room where the class has been meeting. Final examinations are to be given in all classes unless waived by the Department Chairperson and the Provost.

For more information regarding Final Exams, refer to the Examinations and Final Examination Period policies in the Undergraduate Catalog on the GSU website.
